## HARDBACK SERIES

stories, adventures and technical pages

The six hardback books tell the charming story of Peter and his Grandpa building and running their steam railway across the farm. At the ends of chapters are special how-it-works pages with simple (but accurate) explanations of what has been happening in the story. In addition, Grandpa tells some wonderful stories from the old days on the railways.

Age 6 to 12 years approx

96 or 128 pages, 24 x 17 cm, 30 watercolour pictures, technical drawings. **£11.99**

## ACTIVITY BOOK

Our new Activity Book is packed full of trains, colouring and engineering puzzles.

Some of the activities are easy, others are more challenging. There's something for everyone: maths, crossword, anagrams, spot the dangers, join the dots, brain teasers, terrible train jokes, and a fiendish Spot the Difference!

Age 6 to 12 years

32 pages, 27 x 21 cm, **£4.99**

"Tilly, who is only 6, really enjoyed the first book and was spellbound by the engineering pages..." Chris D.

"Theo absolutely adores the books and has a chapter before bed every night..!" Lucy E.

## AUTHOR AND ENGINEER

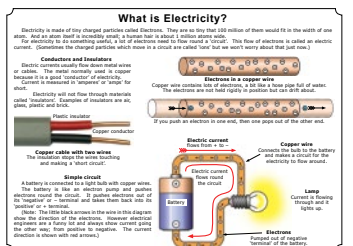

Chris driving the engine which he built in his workshop

As a Chartered Engineer who trained at Rolls Royce, Chris wanted to share his love and knowledge of railways, science and engineering: Peter's Railway is the result.

# SPOT THE DIFFERENCE WITH PETER !

Can you spot 20 differences in these pictures? Harry is driving Fiery Fox in the book *Peter's Railway - The Four Seasons*.

Some are easy to see, others are very hard! There is a secret web page which shows all the differences by flashing one image over the other so your brain can 'magically' see them.
